

and closed at 27 $\frac{1}{2}$. Metropolitan opened down 2 $\frac{1}{2}$ per cent at 85 $\frac{1}{2}$ and closed at 90 $\frac{1}{2}$, and New-York advanced from 101 $\frac{1}{2}$ to 111 $\frac{1}{2}$. The occasion of the early decline was a systematic raid, and for the late advance the announcement that the companies had agreed to submit their differences to the arbitration of the presidents of rival trust companies. Western Union was stronger and rose from 106 $\frac{1}{2}$ to 107 $\frac{1}{2}$, and Pacific Mail, after a rally of 3 $\frac{1}{2}$ per cent to 44 $\frac{1}{2}$, declined to 43 $\frac{1}{2}$, at which figure it closed. The market closed irregular, but generally weak.

The announcement that the Sub-Treasury tomorrow will receive offers to sell Government bonds to the Treasury made a more active market, and advanced the quotations for the old issues. The transactions at the Boards amounted to \$254,000, and the bidding for the 6s were advanced 4 $\frac{1}{2}$ and for the 5s and 4 $\frac{1}{2}$ s each 1 $\frac{1}{2}$ per cent. District of Columbia 3-3 $\frac{1}{2}$ s also were strong with sales at par. Annexed are the closing quotations:
